February News

Dates to Remember:

- 1st -4th - Re-registration Begins
- 7th - Registration for Siblings Begins
- 14th -Valentine's Celebrations
- 15th - Board Meeting 7:30pm
- 17th - Open House Virtual Event

Upcoming 2022-2023 School Year:

Having fun! Why not come back for another year! Current students and siblings are encouraged to register during the "re-registration period". Beginning Tuesday February 2nd until Friday February 4th you must re-register your child to ensure they are guaranteed a space in the upcoming school year. Beginning on Monday February 7th we will be accepting registrations for **siblings** of current and past students. Information packages and registration forms have been sent home.

Snow Days:

In the event of severe weather or snowfall our classroom may be closed. Kindly check the Lester B. Pearson school board website or listen to the radio broadcasting school closures. If LCCHS is closed, there will not be classes held on that day.

Open House:

TLC will be hosting our annual Open House virtually on Thursday February 17th from 7:00 - 7:30 pm. Let your friends and family know that they can register their children for the upcoming school year by contacting us at teacher@tlclasalle.org to receive the Zoom link for the open house.

Board of Directors Meeting:

TLC's Board of Directors Meeting will be held in the TLC classroom on Tuesday February 15th at 7:30pm. Our Board of Directors governs TLC and acts as our administration. This meeting is open to all of our members. As we are hosting the meeting on Zoom, simply let us know that you would like to attend and we will send you the link.

March Break:

TLC will be closed for March break from February 28th to March 4th. We will return to classes on Monday March 7th. Enjoy the break!
